OTHER GENERAL CONDITIONS

- In the event that the electronic 50/50 system is unavailable at the time of the ticket sales period due to technical difficulties or otherwise, the Montreal Canadiens Children's Foundation reserves the right to sell paper tickets instead of the electronic system. Paper tickets will be numbered in sequential order and sold in denominations of 3 for \$5; 7 for \$10; or 20 for \$20. A random ticket will be drawn during the 3rd period from the ticket raffle bin by an individual who did not purchase a ticket.
- If the electronic system experiences detrimental technical difficulties during a game (i.e. at any time after sales using the system have commenced for that game), 50/50 sales will immediately be

suspended for the balance of the game. If the Montreal Canadiens Children's Foundation is able to verify that all tickets purchased prior to the suspension of ticket sales have been printed, the raffle will proceed and a winner will be announced in the 3rd period of the game. If the Montreal Canadiens Children's Foundation is not able to verify that all tickets purchased prior to the suspension of ticket sales have been stored printed, the raffle will be postponed until such time as the Montreal Canadiens Children's Foundation is able to make such verification. Where a raffle has been postponed, the Montreal Canadiens Children's Foundation will announce the winner as soon as possible and will post the winning number as indicated above.

- The Montreal Canadiens Children's Foundation, the Montreal Canadiens Hockey Club, the Bell Centre, l'Aréna des Canadiens and any presenting sponsors and partners of the 50/50 program will administer the program in good faith and in the best interests of the Foundation. None of the partners (nor any employee or representative of any of the foregoing) shall be liable at any time for any errors, system malfunctions or decisions made in connection with the administration of the program.
- All winners release the Foundation, its partners, employees, or any other agents from any responsibility of damages incurred by accepting or using their prize.
- This 50/50 program is subjected to all laws and all applicable federal, provincial and municipal rules. The decisions rendered by the organizers are final and without appeal in all aspects of the said raffle.

PUBLICITY RELEASE

- The winner agrees that acceptance of the prize grants the Montreal Canadiens Children's Foundation (and its representatives) the right to print, publish or broadcast the winner's name, portrait, picture, voice, likeness, and biographical information for any purpose without any form of compensation, including but not limited to, advertisements, publicity, and other communications without additional compensation, except where prohibited by law.
