

Official Rules and Information regarding the 50/50 Lottery of the Montreal Canadiens Children's Foundation

ELIGIBILITY

- Participation is reserved exclusively to people who are 18 years of age or older and are physically located in the province of Quebec when purchasing tickets.
- The following individuals are not eligible to participate in the 50/50 raffles: Montreal Canadiens Children's Foundation employees and volunteers assigned to the raffle, Groupe CH IT Department employees assigned to the activation of the raffle, employees of the company supplying the draw technology, and individuals serving on the Montreal Canadiens Children's Foundation Board of Directors, any person with whom these employees and individuals live and the immediate family of said employees and individuals.

TO ENTER

- Tickets are sold online through a platform administered by members of the Foundation, for a maximum duration of 10 business days.
- Ticket buyers receive a payment receipt and a digital stub by email listing the numbers associated with the package purchased. Each draw number will be printed on an individual stub. These stubs will be inserted in a barrel in a secure room of the Bell Centre for the winning ticket draw.
- During Montreal Canadiens home games, tickets will also be sold by volunteers. In this case, ticket buyers will receive their printed ticket listing their numbers associated with the purchased tickets. Clients will be required to provide a contact phone number.

DRAWING AND NOTIFICATION OF PRIZE WINNER

- Chances of winning depend on the total number of tickets sold.
- Tickets are subject to verification by 50/50 organizers. All fraudulent tickets will automatically be removed from the draw and not give right to a prize.
- The date of each draw will be announced at the beginning of and during the ticket sale period.
- The winning ticket draw will be completed at the end of the sales period by a physical person who will draw in the presence of 3 physical witnesses (or virtual, if the situation does not allow) the stub corresponding to a ticket sold.
- The winning number will be announced on the Foundation's website (foundation.canadiens.com). In the event of a discrepancy between the announced (displayed) number and the official winning number, the latter shall prevail.
- The prize (winning prize) will consist in 50% of the total amount raised and announced (Jackpot) and will not exceed \$5,000 (Canadian dollars) per draw. In the event of a discrepancy between the announced (displayed) amount and the official amount raised, the latter shall prevail.
- The person holding the winning number will be contacted by telephone or by email as soon as the draw is completed. The Montreal Canadiens Children's Foundation shall have no responsibility in regard to any other person who claims any interest or right to receive all or any part of the prize associated with a winning ticket.
- If the winner does not claim his/her prize within two business days, a new winning number will be drawn the next business day. The new winner will be contacted by telephone or by email as soon as the new draw is completed.

- The winner must provide two proofs of identity and complete a declaration and release form before taking possession of their prize.
- Prize is paid by direct deposit in Canadian dollars, following receipt of banking information of the winner, within 60 business days of the winner claiming the prize.

OTHER GENERAL CONDITIONS

- If the electronic system experiences detrimental technical difficulties during a draw (i.e. at any time after sales using the system have commenced for that draw), 50/50 sales will immediately be suspended until such time as the problem is resolved insofar as such resolution takes place in due time so ticket sales may resume in accordance with the above mentioned parameters. In the event ticket sales cannot resume in due time, if the Montreal Canadiens Children's Foundation is able to verify that all tickets purchased prior to the suspension of ticket sales have been processed, the raffle will continue, and a winner will be announced. If the Montreal Canadiens Children's Foundation is not able to verify that all tickets purchased prior to the suspension of ticket sales have been processed, the raffle will be postponed to a later time to be announced on the Foundation's website (www.fondation.canadiens.com) as well as on its social networks. The time may be modified if need be, until such time as the Montreal Canadiens Children's Foundation is able to make such verification. Where a raffle has been postponed, the Montreal Canadiens Children's Foundation will announce the winner as soon as possible and will post the winning number as indicated above.
- The Montreal Canadiens Children's Foundation, the Montreal Canadiens Hockey Club, the Bell Centre, l'Aréna des Canadiens, the Groupe CH and any presenting sponsors and partners of the 50/50 program will administer the program in good faith and in the best interests of the Foundation. None of the partners (nor any employee or representative of any of the foregoing) shall be liable at any time for any errors, system malfunctions or decisions made in connection with the administration of the program.
- All winners release the Foundation, its partners, employees, or any other agents from any responsibility for damages they may incur by accepting or using their prize.
- No official receipt for income tax purposes will be issued for the purchase of 50/50 tickets as set out by Canada Revenue Agency.
- This 50/50 program is subjected to all applicable federal, provincial and municipal laws and regulations. The decisions rendered by the organizers are final and without appeal in all aspects of the said raffle.

PUBLICITY RELEASE

- By participation in the raffle, winners thereby grant the Montreal Canadiens Children's Foundation (and its representatives) the right to print, publish or broadcast their name, portrait, picture, voice, likeness, and biographical information for any purpose related to the Foundation and its activities without any form of compensation, including but not limited to, advertising and promotional purposes.
